Jim and Richard -

Please find attached a copy of the termination letter as per requested during the 03/14/2013 10:00am Assessment conference. It is also my understanding that TME will consolidate the 2 small mine permits (S0470088 & S0470036) into the large mine permit (M0470089) within 3 weeks (April 4, 2013).

Vickie Southwick will resend the data to the email addresses above, as the email she sent early this morning to runquist@templemountainenergy.com "bounced back".

Please be aware the bond escalation for the LMO (M0470089) is due on 04-11-2013.

Please feel free to call me if you need anything else. thx-lah
